1962 ANNUAL INDEX

Volume LXXVII

The American City

Index to subjects

Issue & Page

ADMINISTRATION AND GOVERNMENT
(City manager appointments)
Jan., 162; Feb., 161; Mar., 170; Apr., 170; May, 182; June, 226; July, 168; Aug., 156; Sept., 222; Oct., 176; Nov., 180; Dec. 146.
The Soviet engineer ---Jan., 75
Municipal accident prevention ---Jan., 105
N. Y. C. names first deputy administrator ---Feb., 42
City managers argue "politics" ---Feb., 95
Council chamber gets style, comfort Feb., 125
Grand Rapids selects an architect ---Feb., 161
The council-manager plan ---Mar., 163
$1,000 for original ideas ---Apr., 32
My work, a challenge, not a grind Apr., 88
Inflation-proof retirement plan ---Apr., 103
Town meeting under attack ---May, 87
Don't let your callers down ---May, 92
From ex-manager to mayor ---May, 100
Don't run, just flick the switch ---May, 105
Wants more citizen complaints ---June, 160
Armory+high school=new tractor July, 89
Memphis negotiates to rejoin TVA July, 134
Inter-American Municipal Conference ---July, 143
Annual report doubles as a calendar July, 166
Cincinnati trains city managers ---July, 168
Reapportionment action in states ---Aug., 23
Municipal equipment "rental", Part I ---Aug., 77
Cleaning helps sell used city cars ---Aug., 84
Town meeting gets Miami tryout---Aug., 93
Employees study local government Aug., 103
Celebrezze picked for Washington post ---Sept., 44
You don't need to be stuffy ---Sept., 98
A coordinating committee ---Sept., 107
Municipal equipment "rental", Part II ---Sept., 116
Delegation goes to conference ---Sept., 133
President addresses mayors by phone ---Sept., 196
Wins seven new cities, loses one ---Sept., 222
Municipal equipment "rental", Part III ---Oct., 92
Supervisors learn human relations ---Oct., 146
Recording speeds court proceedings Oct., 153
Handbook for city employees ---Oct., 171
Urban affairs and reapportionment Nov., 139
Challenge unlimited in city engineering ---Nov., 146
Act provides matching federal funds Dec., 21
The voter and the voting machine ---Dec., 82
Increased office-space efficiency ---Dec., 93

AERIAL MAPPING—see Planning

AIR POLLUTION
(Air pollution control notes)
Jan., 35; Feb., 40; Mar., 38; Apr., 32; May, 35; June, 27; July, 39; Aug., 40; Sept. 33; Oct., 39; Nov. 39; Dec., 31.
Exhaust-gas cleaners ---Jan., 83
Cities say "no" to air pollution ---May, 109
Community approach to air pollution ---Sept., 179
Surveys for air-pollution ---Nov., 142
Pigeon pollution ---Nov., 172
Needs air pollution control ---Dec., 94

AIRPORTS AND AVIATION
Fort Worth's downtown heliport ---Mar., 105
Airport restaurant has "flying" top Aug., 92
Heliport lighting—a top view ---Sept., 108
New "approach" to airport lighting ---Sept., 141
Plane-noise ruling means new claims ---Oct., 100

AWARDS, ACHIEVEMENTS, HONORS
Traffic safety award ---Jan., 135
AMA Congress gives John Stutz Award ---Jan., 150
Kalamazoo wins civic award ---Apr., 79
All-America cities for 1961 ---Apr., 137
Police-chief named man of the year May, 175
City building wins award ---June, 186
A do-it-yourself merit certificate ---June, 197
Sanitary engineer wins service award July, 134
Assistant surgeon general ---July, 150
An All-America City invitation ---Aug., 145
Grant to study "human problems" Sept., 167
Ridley honored at Syracuse Univ. ---Sept., 213
Richard Barksdale Receives American City Magazine Aid-to-Education Award ---Nov., 146

Issue & Page

Communities reach All-America Cities finals ---Dec., 130

BEAUTIFICATION
A landscaped walkway ---June, 122

BOND MARKET
Jan., 171; Feb., 167; Mar., 186; Apr., 187; May, 195; June, 240; July, 175; Aug., 163; Sept., 237; Oct., 186; Nov., 188; Dec., 150.
Municipal bonds break records ---Dec., 88

BUILDINGS
A city hall that means business ---Jan., 147
Structural-steel design goes modern Feb., 84
A civic center needn't be costly ---Feb., 88
Civic center uses precast concrete ---Feb., 101
"Home of the Braves" to get moving stairways ---Mar., 110
Newburgh's municipal garage ---Mar., 115
A police building of precast concrete ---June, 96
Air-condition your city hall ---June, 101
City building wins award ---June, 186
Glass-front coliseum gets visitors ---July, 106
A city hall that can grow ---July, 145
Fire station emphasizes livability Sept., 200
Charm-plus efficiency ---Nov., 103

BUSINESS MACHINES AND SYSTEMS
64 cents per customer per month ---Jan., 123
Utility billing on two-month basis Feb., 138
Earns 300% in five years ---Mar., 111
Computer maps renewal programs Mar., 114
Communications made easy ---Apr., 127
Electronics for tax billing ---June, 116
Over 600,000 billings a year ---July, 39
Instant tax billing ---Aug., 90
Computer aids lighting repairs ---Sept., 101
Mechanized accounting saves money Nov., 96
An investment in savings ---Nov., 102

CIVIL DEFENSE—see Public Safety

EDITORIAL
If we must have fallout shelters ---Jan., 7
If the population trend continues Feb., 7
Ode of a retiring councilman ---Mar., 7
Proposed department of urban affairs ---Apr., 7
The Newburgh, N. Y. welfare program ---Apr., 7
Water supply ---Apr., 7
The city beautiful ---May, 7
Water reservoirs vs recreation ---June, 7
The AASHO street and highway test—what it didn't say---July, 7
Metropolitan government ---Aug., 7
Needed—a solution for truck traffic Sept., 7
Sewage purification and the housewife ---Oct., 7
"The great highway robbery" ---Nov., 7
Election results—urban aspects ---Dec., 7

EDUCATION AND TRAINING
Supervisors go back to college ---Jan., 35
Yale to award traffic-engineering fellowships ---Feb., 135
Worcester conducts training course Apr., 131
Opportunities for graduate students Sept., 118

FINANCE AND TAXATION
$1.16 a week for city services ---Feb., 20
Must pay the bill ---Feb., 20
How to make the small town attractive to industry ---Feb., 86
Ways to ease the property tax ---Mar., 91
Suburban taxes near city level ---Mar., 112
Coral Gables pays "impossible" debt ---June, 163
Proposes increase in fire salaries ---Nov., 174

GAS—see Power

HOUSING
High-rent suburban apartments ---May, 89
Charm instead of barracks ---July, 93
Dearborn builds retirement housing Aug., 88
Increase of one-family public-housing ---Aug., 103
Building regulations aren't enough Sept., 102
Why Kalamazoo voted "no" ---Oct., 166

INDUSTRY AND COMMUNITY
Superblocks for industry ---June, 228

Issue & Page

LEGAL
(Legal notes and decisions)
Jan., 160; Feb., 159; Mar., 169; Apr., 169; May, 181; June, 223; July, 167; Aug., 155; Sept., 221; Oct., 175; Nov., 179; Dec., 145

LIGHTING
More lights, less juvenile problems Jan., 117
A shopper's delight ---Jan., 120
Odessa changes lighting fixtures ---Jan., 120
Lighting makes city center a showplace ---Feb., 113
Something to brag about ---Feb., 115
Community gets planned lighting Feb., 117
The case for fixed roadway lighting Feb., 117
Light by mail ---Feb., 141
Overhead wires vanish ---Mar., 100
Plastic globes vandal-proof lighting Mar., 127
Glare reduction can save dollars ---Mar., 129
One of the brightest ---Mar., 129
Highline's high lights ---Mar., 131
Five times brighter ---Mar., 135
Right-angle lighting ---Apr., 121
Lighting scores high ---Apr., 123
A new film-slide release ---Apr., 125
Mercury-vapor lamp has greater output ---Apr., 125
Pole together or hang separately ---May, 120
New metallic-vapor lamp ---May, 125
Brightest in the Carolinas ---May, 127
Street lighting vs traffic accidents ---May, 127
4.3 footcandles at highway exits ---May, 131
Ames aims high in lighting ---June, 133
Rail-mounted luminaire ---June, 134
A real lifesaver ---June, 136
Brighter than the sun ---June, 136
Fire tested ---June, 139
Economy-plus residential lighting ---June, 139
Safety program spurs lighting ---June, 163
Lamplighters to meet ---June, 215
A planned street-lighting program July, 116
Plan that means modern lighting ---July, 129
Time for a change in floodlighting July, 130
Modern lighting adds beauty ---July, 132
A festival of lights ---Aug., 85
$1,500,000 worth of brightness ---Aug., 105
Modern lighting attracts residents Aug., 107
A "yard-lighting" program ---Aug., 108
Mercury lighting spurs park use ---Aug., 110
Double roadway-lighting levels ---Aug., 110
Computer aids lighting repairs ---Sept., 101
Heliport lighting—a top view ---Sept., 108
All lit up like a Christmas tree ---Sept., 135
New highway, lighting, growth ---Sept., 136
From kerosene to fluorescents ---Sept., 136
Houston advances step by step ---Sept., 138
New "approach" to airport lighting Sept., 141
Century 21 shows "space age" lights ---Oct., 88
Lighting spurs downtown growth ---Oct., 121
The family plan for relighting ---Oct., 123
Ultrasound cleans street-light switches ---Oct., 123
Effective lighting ---Oct., 125
Modern lighting means progress ---Oct., 125
Mercury vapors go indoors ---Nov., 114
Bridging the lighting gap ---Nov., 117
A new look at light ---Nov., 118
The many facets of lighting ---Nov., 118
More footcandles on Main Street ---Nov., 121
Lighting is better than policemen Nov., 129
Eighty feet of Christmas spirit ---Dec., 86
A "model" pool-lighting system ---Dec., 109
Don't read this—unless ---Dec., 111
Light sources for 1964 World's Fair Dec., 111
Illumination up; costs down ---Dec., 113
Street and highway lighting ---Dec., 113

MICROFILM—see Records

MOTION PICTURES—see Public Relations and Education

OUR MUNICIPAL NOTEBOOK
Jan., 9; Feb., 18; Mar., 22; Apr., 22; May, 30; June, 9; July, 42; Aug., 9; Sept., 22; Oct., 30; Nov., 21; Dec., 23

PARKING FACILITIES AND PARKING METERS
Solving the downtown parking squeeze ---Jan., 111
Parking towers—Italian style ---Feb., 118
Off-street parking pays for itself ---Feb., 121
Who uses parking meters ---Mar., 103

Issue & Page

Garage receives 2.7 cars a minute ...May, 132
Fire-damaged parking meters back...June, 145
The delinquent parking meter ....June, 149
Park it, retrieve it in 120 seconds ...July, 123
A do-it-yourself parking program ...Aug., 96
Lift-slab construction .....Sept., 143
Parking garage invites patrons .....Oct., 118

PARKS AND PLAYGROUNDS
Playgrounds get safety cushions ...Jan., 42
A plan for planting .....Jan., 42
Park district takes to the air .....Jan., 86
Something new in park structures ...Feb., 37
Bees, begone! .....Feb., 37
Two new recreational centers .....Feb., 102
From dreary waste to pleasant park Mar., 42
A touch of the Orient .....Mar., 42
The marina floats on foam.....Mar., 83
A versatile artificial ice rink .....Apr., 18
More mow for your money .....Apr., 18
Three pools with a purpose .....Apr., 90
Shelter wins top design honors ...Apr., 97
Say it with lilacs .....May, 29
New vistas for parks and recreation May, 29
Gunite paves the way .....May, 94
Stump removal for less than $5 each June, 46
Mosquito control—$8.22 an hour ...June, 46
It pays for itself .....June, 118
No hex on this zoo's heating .....July, 34
Desirable features for marinas .....July, 34
Where people go, parks must grow July, 100
Vandal-proof showers .....Aug., 38
It disappears for nine months .....Aug., 38
Concrete pier maintenance-free .....Aug., 80
Private swimming pools to stay ...Aug., 148
Ten meters high .....Sept., 26
The children's zoo .....Sept., 26
Artificial islands .....Sept., 119
Bring the camp to the boy .....Sept., 153
From soupy swamp to solid skating Oct., 25
Parks for new subdivisions .....Oct., 25
Maintenance in parks, Part I.....Oct., 104
Cut spray-painting hazards .....Oct., 151
A pioneer village on a shoestring Nov., 30
A thesis contributes park ideas ...Nov., 30
Maintenance in parks—Part II.....Nov., 98
Save the elms for $3 each .....Nov., 174
Create soil from sludge and sand ...Dec., 28
Small fees for street trees .....Dec., 28
An off-again-on-again pool shelter ..Dec., 87

PERSONNEL
Engineering students for city gov't. June, 107

PEST AND WEED CONTROL
Bees, begone! .....Feb., 37
Mosquito complaints cut 50% ....Feb., 110
Municipal scooter fleets .....Apr., 94
You can't wait until they bite .....May, 114
Skip-a-year chemical weed control Nov., 110

PLANNING AND ZONING
(Zoning and planning decisions
Jan., 157; Feb., 155; Mar., 167; Apr., 165; May, 176; June, 219; July, 165; Aug., 151; Sept., 219; Oct., 173.; Nov., 177; Dec., 114
Advances for public-works planning Jan., 144
Subdivision coordinating committee aids .....Feb., 93
Public-works planning, urban renewal .....Feb., 129
Legal complexities to a mall .....Mar., 99
How to zone for fall-out shelters ...Mar., 160
How to boost downtown vitality ...Apr., 159
To promote industrial growth .....May, 39
A city map of many colors .....May, 96
City surveyors take to the sea .....May, 104
City planners aid highway program May, 159
Court's redistricting decision shows voting inequality .....May, 171
What creates new cities .....May, 189
A suburb puts on its greenbelt .....June, 106
"Floating zone" is industry lure....June, 221
Aerial aids to planning .....July, 108
Planners appraise the profession ...July, 136
Street renaming is no cinch .....Aug., 82
Building regulations aren't enough Sept., 102
Non-blight elevated expressways ...Sept., 157
City-planning scholarships .....Sept., 233
A new heart for downtown .....Oct., 86
Real planning can save millions ...Nov., 90
Downtown gets a face lifting .....Nov., 94
Wisconsin cities lack plans .....Nov., 105
Act provides matching federal funds Dec., 21
Rochester revitalizes downtown ....Dec., 84
Bankers look at urban-renewal needs .....Dec., 92
Placing color on land-use maps ....Dec., 127

POPULATION
Ten most densely populated cities ...Feb., 151

POWER
Lake Worth turns to steam .....Mar., 87
New uses for generators .....June, 152
Contract helicopter service .....June, 211
Taking the power peaks .....Oct., 158

Issue & Page

PUBLICATIONS
(Municipal and civic publications)
Jan., 169; Feb., 165; Mar., 183; Apr., 183; May, 191; June, 237; July, 174; Aug., 164; Sept., 235; Oct., 185; Nov., 187; Dec., 149.

PUBLIC RELATIONS
(Municipal public relations—
The city tells its story)
Jan., 153; Feb., 151; Apr., 133; May, 141; June, 157; July, 163; Aug., 133; Oct., 108; Nov., 164; Dec., 121
AMA congress holds first public relations workshop .....Jan., 23
What's in a number .....June, 105
Upgrade "image" of city government .....June, 216
Schoolchild praise for city hall .....Sept., 165

PUBLIC SAFETY
New fire alarm in old Newburgh Jan., 33
Shallow-draft fire boats .....Jan., 33
Oxygen on rescue truck saves lives Jan., 82
Instantaneous response .....Jan., 88
Compact mobile crime lab .....Jan., 99
Longer average life for fire hoses ...Jan., 129
Algoma police upgrade radio system Feb., 29
Jeeps get a tryout for police work Feb., 29
Radiological health training center Feb., 44
Quadrant puts crimp in criminals ...Feb., 92
Extras in police station fire alarms ...Feb., 97
False alarms cost $100 apiece .....Mar., 29
K-9 transport .....Mar., 31
Fire prevention .....Mar., 139
26,000,000 homes inspected .....Mar., 159
Firemen devise water screen .....Apr., 36
Wood shingles major peril in fire ...Apr., 36
From a fog to a stream 80 ft. up ...Apr., 78
CD's paper cups fill the bill .....Apr., 92
Police-fire integration works .....Apr., 161
Police-fire coordination .....May, 32
Elevating platform to fight fires ...May, 32
Dog policemen .....May, 37
Canopy cab a foul-weather friend June, 36
"My friend, the policeman" .....June, 36
In emergency—lift receiver .....June, 108
Fire-grading change meets opposition .....June, 119
Closed-circuit TV guards garage ...June, 123
Seminar to cover causes of fires ...June, 154
LP-gas cuts costs .....July, 25
Emergency recall for fire personnel July, 25
Alternators do more, cost less .....July, 40
A do-it-yourself fallout shelter .....July, 95
Fluorescent airport fire engines .....July, 102
Inter-city safety program .....July, 111
The chief's alarm system stays .....July, 115
Auto insurance claims up; deaths down .....July, 143
Punched-card law enforcement .....July, 153
Two-way radio for foot patrolmen Aug., 34
Explosion-proof-refrigerator law ...Aug., 34
A CD-approved fire-rescue unit ....Sept., 30
We praise dog owners who are good neighbors .....Sept., 30
Community automatic alarm system Sept., 133
Conferees to see safety in action ...Sept., 167
Alaskanized airport fire apparatus ...Oct., 32
The most from automatic sprinklers Oct., 32
10,000 extra miles via transistor .....Oct., 78
Snorkels in suburbia .....Oct., 96
Radiation-hazard preparedness .....Oct., 160
College life in the firehouse .....Nov., 26
Rocky Mount goes mounted .....Nov., 26
City-hall fallout shelter .....Nov., 108
Delayed alarm the greatest hazard Nov., 183
Squadrols cover all ....Dec., 32
Fire chiefs see new apparatus .....Dec., 32
Mathematical fire administration ...Dec., 80
New national electric code adopted Dec., 142

PURCHASING
Purchasing wins praise .....Jan., 96
Compact cars save one cent a mile Jan., 133
On-the-spot purchase order .....Feb., 104
Central purchasing pays off .....Feb., 125
Central stores save time and money Mar., 137
The low bid isn't always legal .....Apr., 107
We buy insurance through bidding May, 157
The more costly tire can be cheaper June, 97
From expense to economy .....July, 98
New equipment without budget pains .....Aug., 89
Centralize and save .....Sept., 151
How to evaluate performance .....Oct., 128
Good equipment painlessly .....Nov., 170
How central purchasing works .....Dec., 98

RECORDS
Earns 300% in five years .....Mar., 111
Computer maps renewal programs Mar., 114
Microfilming is good management May, 144

REFUSE COLLECTION AND DISPOSAL
Landfill logistics .....Jan., 26

Issue & Page

We save 37% on refuse collection ...Jan., 90
The flies disapproved .....Feb., 22
An open and shut case for economy Feb., 22
Solid-waste disposal—Part I .....Feb., 105
Air-conditioned for safety .....Mar., 26
Clean-up promotion .....Mar., 26
Solid-waste disposal, Part II .....Mar., 92
Incinerator group meeting dates ....Apr., 14
"Rock-a-bye baby" refuse collection Apr., 14
Incinerator refractory studies .....Apr., 84
Greater capacity, better collection ...Apr., 87
Solid-waste disposal, Part III .....Apr., 104
$600,000 saved annually .....May, 85
Solid-waste disposal, Part IV .....May, 106
Sanitary landfill goes to school ....June, 30
Anti-litter reminder .....June, 30
Hauling units govern design of refuse transfer station .....June, 98
Solid-waste disposal, Part V .....June, 190
Almost everyone volunteers .....July, 31
Take your clippings to the store ....July, 31
Solid-waste disposal, Part VI .....July, 103
Three inches are enough .....Aug., 31
Collections were more than double Aug., 31
Solid-waste disposal, Part VII .....Aug., 139
Faster flat-tire repairs .....Sept., 19
Refuse trucks on film .....Sept., 19
Modern incinerator at $2,280 a ton Sept., 104
Solid-waste disposal—Part VIII ....Sept., 205
Cleaner and cheaper collections .....Oct., 15
Clean air in the midst of dust .....Oct., 95
Solid-waste disposal, Part IX .....Oct., 137
There's no ugliness here .....Oct., 155
Incinerator-ash transfer truck .....Nov., 23
The incinerator's anniversary .....Nov., 23
A winning slogan .....Nov., 23
Cents, scents and sense of sanitation..Nov., 106
Solid-waste disposal—Part X .....Nov., 112
Crusher conserves landfill space ...Dec., 14
A tree sheds in Brooklyn.....Dec., 14
An incinerator without frills.....Dec., 95
Solid-waste disposal—Part XI .....Dec., 132

SEWERAGE AND SEWAGE TREATMENT
Those dog-gone measurements .....Jan., 38
Ozone ousts odors .....Jan., 38
Comprehensive sewerage studies ....Jan., 80
Sewer-service charges, Part IV .....Jan., 136
A 36-ton prefab lift station .....Feb., 31
Open a digester in mid-winter .....Feb., 31
Sewer-service charges, Part V .....Feb., 143
Ask the sun for help .....Mar., 14
Paper-industry pump for transferring sludge .....Mar., 14
Digesters vs. vacuum filtration .....Mar., 106
Pipe dream proves practical .....Mar., 106
Sewer-service charges, Part VI .....Mar., 153
A liquid cushion for filter media ...Apr., 31
Sewer lined with plastic pipe .....Apr., 31
Axial compressor wins race .....Apr., 80
Take a second, money-saving look Apr., 95
Sewer-service charges, Part VII .....Apr., 140
Largest contract for sewer cleaning Apr., 163
Grease filtered without trouble .....May, 25
Waste-treatment construction .....May, 25
We solved the money problem .....May, 90
Sewer-service charges, Part VIII .....May, 160
Submarine outfall placed in one piece .....May, 173
Aluminum pipe cuts costs .....June, 25
Lowest operating maintenance costs June, 25
Garbage grinders add only 30% ....June, 102
Bucket boom a boon to maintenance June, 113
A new sludge-disposal method .....June, 175
Sewer-service charges, Part IX .....June, 199
No nose holding here .....July, 28
Fish indicate pollution preferences July, 28
Everybody won on the third try ....July, 94
Sewer-service charges, Part X .....July, 157
Turbine aerators aid sewage conversion .....Aug., 20
Built-in convenience .....Aug., 20
Aerial-sewer design cuts costs.....Aug., 73
Sewer-service charges, Part XI .....Aug., 123
A little ingenuity pays off .....Sept., 8
Covered plant to burn sludge .....Sept., 8
Chemicals speed sewer relocation ...Sept., 97
Sewer-service charges, Part XII .....Sept., 180
We have to pump every drop .....Sept., 199
Honors for sanitary service .....Oct., 18
Favorable industrial climate includes sewers .....Oct., 18
More than sewage purification .....Oct., 75
A useful water and sewerage tool ...Oct., 79
TV ratings for engineers .....Oct., 90
Developments in Chicago .....Oct., 98
Many speeds mean continuous flow Nov., 8
Building is up but pollution gains Nov., 8
Renew those forgotten sewers .....Nov., 83
Stop lift-station surge problems ....Nov., 109
Because shrubbery is prettier .....Dec., 25
Pollution yardsticks .....Dec., 25
New hope for detergent removal ....Dec., 73
Trouble-free covers .....Dec., 79
Wire fabric speeds drainage project Dec., 89
Cash for pollution control .....Dec., 96
Almost impossible to build .....Dec., 97
Forecasts help meet flood threats ...Dec., 100

INDEX TO SUBJECTS—(Concluded)

Issue & Page

SNOW REMOVAL
Alternate-side parking aids snow plowing ---Jan., 31
Face the facts—and act ---Jan., 97
A machine that's busy all year ---Jan., 100
"Snow streets" for largest city ---Feb., 14
Safety signs in the snow ---Feb., 14
Five emergency snow measures ---Feb., 77
"Emergency power" snow removal Mar., 32
An airport super snow-pusher ---Aug., 33
How to fight snow successfully ---Aug., 69
Open for traffic within five hours Aug., 94
We went back to bags ---Sept., 28
Details count in snow control ---Sept., 94
How the snow melter worked ---Sept., 110
Ice control in three dimensions ---Oct., 81
Salt the first six inches ---Nov., 25
Parking prohibitions for plowing ---Nov., 88
Fall inspection ---Dec., 8
Do's and dont's for winter ---Dec., 8
Nothing left to chance ---Dec., 76

STREET CLEANING
Dust-free sweeping at the zoo ---Mar., 35
Two keys to cleaner streets ---Mar., 35
We needed a better way ---Apr., 41
Nylon bristles halve broom costs ---Apr., 41
Municipal scooter fleets ---Apr., 94
"Togetherness" for cleanliness ---May, 27
Ready receptacles—less litter ---May, 27
Main brooms for nine cents a mile June, 32
Little vehicle—big job ---June, 32
A small unit for an important job July, 32
Air-borne dust collection ---July, 32
A "fair" city ought to be clean ---Aug., 33
More "flying-squad" litter patrols Sept., 28
Bitter cold to blistering heat ---Oct., 34
For any type of surface ---Oct., 34
Testing a compact litter scooter ---Nov., 25
The cost of collecting leaves ---Nov., 93
Don't hedge on street sanitation ---Dec., 69

STREET CONSTRUCTION AND MAINTENANCE
The world's longest suspension span Jan., 14
Asphalt's gravel equivalent ---Jan., 14
Paved streets at half price ---Jan., 84
A machine that's busy all year ---Jan., 100
Specify good hot mix—and get it ---Jan., 102
Tall bin wall halts erosion ---Jan., 106
A parking lot "clips" its joints ---Feb., 9
Asphaltic overlays extend street life Feb., 9
Precast plus conventional beams ---Feb., 98
Paving costs less with LP gas ---Mar., 9
New names for liquid asphalt ---Mar., 9
Curb-to-curb carpeting ---Mar., 95
A street for the asking ---Mar., 113
Diamond saws cut joints fast and economically ---Apr., 8
Edina evens out its street assessments ---Apr., 8
See that paving materials meet specs Apr., 82

How to zone for fall-out shelters -- Mar., 160
AURORA, COLO.
Garbage grinders add only 30% -- June, 102
Where people go, parks must grow July, 100
Small fees for street trees --------- Dec., 28
AVONDALE, ARIZ.
Paved streets at half price --------- Jan., 84
AVON LAKE, OHIO
Tall bin wall halts erosion ------ Jan., 106
AZORES
"New approach" to airport lighting ---------- Sept., 140

BANGOR, ME.
On-the-spot purchase order ------ Feb., 104
BATTLE CREEK, MICH.
Truck speeds signal repairs ------ Oct., 94
BELMONT, MASS.
For any type of surface ---------- Oct., 34
BETHEL, VT.
Modern lighting means progress --- Oct., 125
BERNARDSVILLE, N. J.
A machine that's busy all year ---- Jan., 100
BETHLEHEM, PA.
A city map of many colors --------- May, 96
BIRMINGHAM, ALA.
A third plant for Birmingham ---- May, 151
Birmingham parks closed --------- June, 154
BISMARCK, N. D.
A CD-approved fire-rescue unit -- Sept., 30
BLOOMFIELD, CONN.
Air-condition your city hall ------ June, 101
BORGER, TEX.
The flies disapproved ---------- Feb., 22
BOSTON, MASS.
Off-street parking pays for itself -- Feb., 121
False alarms cost $100 apiece ---- Mar., 29
Study recommends changes -------- Apr., 117
BOULDER, COLO.
Try a cryogen ---------- Mar., 108
BOZEMAN, MONT.
Paving promotion by design ------ Sept., 161
BRADENTON, FLA.
Ozone ousts odors ---------- Jan., 38
BUENOS AIRES, ARGENTINA
Inter-American municipal conference - July, 143
CALIFORNIA
Inter-city safety program ---------- July, 111
Skip-a-year chemical weed control -- Nov., 110
CAMDEN, S. C.
Charm-plus efficiency ---------- Nov., 103
CAMERON COUNTY, TEX.
A thesis contributes park ideas ---- Nov., 30
CANTON, OHIO
Eighty feet of Christmas spirit Dec., 86
CARLSBAD, N. M.
The future will be different ------ May, 88

Issue & Page

CARTAGENA, COLOMBIA
Half-mile submarine outfall placed May, 173
CEDAR RAPIDS, IOWA
Bitter cold to blistering heat ------ Oct., 34
CENTRALIA, WASH.
Time for a change in floodlighting July, 130
CHARLES CITY, IOWA
The cure for red water --------- June, 28
CHELTENHAM TOWNSHIP, PA.
A do-it-yourself fallout shelter --- July, 95
CHICAGO, ILL.
Park district takes to the air ---- Jan., 86
Closed circuit TV for lift-bridge - Feb., 137
Paper-industry pump for sludge -- Mar., 14
Fluoridation upheld ---------- Mar., 86
Axial compressor wins race ------ Apr., 80
Reversible lanes speed traffic ------ May, 98
Rail-mounted luminaire ---------- June, 135
Seminar to cover causes of fires -- June, 154
No hex on this zoo's heating ---- July, 34
Airport restaurant's "flying" roof Aug., 92
Few auto commuters want mass transit ---------- Aug., 118
Approach to air pollution --------- Sept., 178
Developments in sanitary district --- Oct., 98
Squadrols cover all ---------- Dec., 32
Forecasts help meet flood threats -- Dec., 100
Giant line striper for Chicago ------ Dec., 117
CINCINNATI, OHIO
Compact cars save one cent a mile Jan., 133
Quadrant puts crimp in criminals - Feb., 92
Contract for sewer cleaning ------ Apr., 163
Super blocks for industry --------- June, 228
Cincinnati trains new city managers - July, 168
Reduced insurance costs ---------- Aug., 136
Ice control in three dimensions -- Oct. 81
CLARENDON HILLS, ILL.
Control deep-well corrosion ------ Dec., 90
CLAYTON, MO.
It pays for itself ---------- June, 118
